## 8. NECESSITY FOR THE BUYBACK

8.1. The Buyback is being undertaken by the Company to return surplus funds to its equity shareholders which are over and above its ordinary capital requirements and in excess of any current investment plans, in an expedient, effective and cost- efficient manner.

The Buyback is undertaken for the following reasons:

- i. The Company believes that the strong future and outlook of its business activities, is not accurately reflected in the prevailing market price, thereby giving an opportunity for Buyback to create long-term value for its shareholders.
- ii. The Buyback would help in improving financial ratios like earnings per share and return on equity, by reducing the equity base of the Company; and thereby, enhancing the overall return to shareholders.
- iii. The Buyback gives the Eligible equity shareholders the choice to either (A) participate in the Buyback and receive cash in lieu of Equity Shares accepted under the Buyback or (B) not to participate in the Buyback and enjoy a resultant increase in their percentage shareholding in the Company post the Buyback, without additional investment.

# 9. MANAGEMENT DISCUSSION AND ANALYSIS AND THE LIKELY IMPACT OF BUYBACK ON THE COMPANY

9.1. We believe that the Buyback is not likely to cause any impact on the profitability or earnings of the Company, except to the extent of reduction in the amount available for investment, which the Company could have otherwise deployed towards generating investment income. Assuming there is full participation in the Buyback, the funds deployed by the Company towards the Buyback (excluding Transaction Costs) would be ₹ 32,69,23,950/- (Rupees Thirty Two crores Sixty Nine Lakhs Twenty

Three Thousand Nine Hundred and Fifty Only). This shall impact with a likely reduction in the equity share capital base, the Buyback will likely improve the return on net worth or return on equity ratio.

- 9.2. We believe that the Buyback will not in any manner impair the ability of the Company to pursue growth opportunities or meet its cash requirements for business operations. The Buyback is being undertaken, inter alia, for helping the Company to return surplus cash to the Eligible Shareholders broadly in proportion to their shareholding, thereby, enhancing the overall return to the Equity Shareholders.
- 9.3. Pursuant to the proposed Buyback and depending on the response to the Buyback, the voting rights of the promoter and members of the promoter group in the company may change the existing shareholding from the current total paid-up Equity Share capital and voting rights of the Company. The Buyback will not result in a change in control or otherwise affect the existing management structure of the Company.

## 19.5. Record Date and Ratio of Buyback as per the Buyback Entitlement in each Category:

- a) As required under the Buyback Regulations, the Company has fixed July 21, 2023 as the record date (the "**Record Date**") for determining the entitlement and names of the shareholders holding Equity Shares of the Company who will be eligible to participate in the Buyback.
- b) The Equity Shares to be bought back as a part of this Buyback are divided into two categories:
  - 1. Reserved category for Small Shareholders ("Reserved Category"); and
  - 2. General Category for other Eligible Sellers ("General Category").
- c) As defined in Regulation 2(1) (n) of the Buyback Regulations, a "Small Shareholder" is a shareholder who holds Equity Shares having market value, on the basis of closing price on BSE or NSE (as applicable, contingent on highest trading volume in respect of Equity Shares) as on the Record Date, of not more than ₹2,00,000/- (Rupees Two Lakhs). As on the Record Date, the volume of Shares traded on NSE was 2,35,550 Equity Shares and on BSE was 46,325 Equity Shares. Accordingly, NSE being the exchange with highest turnover, the closing price was ₹ 126.60 and hence all Shareholders holding not more than 1,579 Equity Shares as on the Record Date are classified as "Small Shareholders" for the purpose of the Buyback Offer.
- d) Based on the above definition, there are 57,834 Small Shareholders in the Company with aggregate shareholding of 1,11,73,188 Equity Shares as on the Record Date, which constitutes 10.25% of the outstanding number of Equity Shares of the Company and 512.65% of the maximum number of Equity Shares which the Company proposes to Buyback as a part of this Buyback.
- e) In compliance with Regulation 6 of the Buyback Regulations, the reservation for the Small Shareholders, will be higher of:
  - i. Fifteen percent of the number of Equity Shares which the Company proposes to Buyback i.e. 15% of 21,79,493 Equity Shares which works out to 3,26,924 Equity Shares; **or**
  - ii. The number of Equity Shares entitled as per their shareholding as on Record Date i.e. (1,11,73,188/10,89,74,615) x 21,79,493 which works out to be 2,23,464 Equity Shares.

All the outstanding fully paid-up Equity Shares have been used for computing the Buyback Entitlement of Small Shareholders since the Promoter and Promoter Group also intend to offer Equity Shares held by them in the Buyback

Based on the above analysis and in accordance with Regulation 6 of the Buyback Regulations, 3,26,924 Equity Shares have been reserved for the Small Shareholders ("**Reserved Category"**) and accordingly, the General Category for all other Eligible Sellers shall consist of 18,52,569 Equity Shares ("**General Category**").

f) Based on the above Buyback Entitlements, the ratio of Buyback for both categories is decided as below:

| Category of Shareholders        | Ratio of Buyback*                               |
|---------------------------------|---|
| Reserved Category for Small     | 17 Equity Shares out of every 584 fully paid-up |
| Shareholders                    | Equity Shares held on the Record Date.          |
| General Category for all Equity | 5 Equity Shares out of every 264 fully paid-up  |
| Shareholders                    | Equity Shares held on the Record Date.          |

\*The above Ratio of Buyback is approximate and providing indicative Buyback Entitlement. Any computation of entitled Equity Shares using the above Ratio of Buyback may provide a slightly different number due to rounding-off. The actual Buyback Entitlement for Reserved category for

*Small Shareholders is* 0.029259688 and *General category for all other Eligible Sellers is* 0.018942147.

#### 19.6. Fractional Entitlements:

If the Buyback Entitlement under Buyback, after applying the above-mentioned ratios to the Equity Shares held on Record Date, is not a round number (i.e. not in the multiple of 1 Equity Share), then the fractional entitlement shall be ignored for computation of Buyback Entitlement to tender Equity Shares in the Buyback for both categories of Shareholders.

On account of ignoring the fractional entitlement, those Small Shareholders who hold 34 or less Equity Shares as on Record Date will be dispatched a Tender Form with zero entitlement through email. Such Small Shareholders are entitled to tender Additional Equity Shares as part of the Buyback Offer and will be given preference in the acceptance of one Equity Share, if such Small Shareholders have tendered for Additional Equity Shares.

# 19.7. Basis of Acceptance of Equity Shares validly tendered in the Reserved Category for Small Shareholders:

Subject to the provisions contained in this Letter of Offer, the Company will accept the Equity Shares tendered in the Buyback by the Small Shareholders in the Reserved Category in the following order of priority:

- a) Acceptance of 100% Equity Shares from Small Shareholders in the Reserved Category, who have validly tendered their Equity Shares to the extent of their Buyback Entitlement, or the number of Equity Shares tendered by them, whichever is less.
- b) Post the acceptance as described in Clause 19.7(a) above, in case there are any Equity Shares left to be bought back from Small Shareholders in the Reserved Category, the Small Shareholders who were entitled to tender zero Equity Shares (on account of ignoring the fractional entitlement) and have tendered Additional Equity Shares as part of the Buyback, shall be given preference and one share each from the Additional Equity Shares applied by these Small Shareholders shall be bought back in the Reserved Category.
- c) Post the acceptance as described in Clause 19.7(a) and 19.7(b) above, in case there are any Equity Shares left to be bought back in the Reserved Category, the Additional Equity Shares tendered by the Small Shareholders over and above their Buyback Entitlement, shall be accepted in proportion of the Additional Equity Shares tendered by them and the Acceptances per Small Shareholders shall be made in accordance with the Buyback Regulations, i.e. valid Acceptances per Small Shareholder divided by the total Additional Equity Shares validly tendered by the Small Shareholder divided by the total Additional Equity Shares validly tendered and multiplied by the total pending number of Equity Shares to be accepted in Reserved Category. For the purpose of this calculation, the Additional Equity Shares taken into account for such Small Shareholders, from whom one Equity Share has been accepted in accordance with clause 19.7(b), shall be reduced by one.
- d) Adjustment for fractional results in case of proportionate Acceptance, as described in Clause 19.7 (c) above:
  - 1. For any Small Shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
  - 2. For any shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.

In case of any practical issues, resulting out of rounding-off of Shares or otherwise, the Buyback Committee or any person(s) authorized by the Buyback Committee will have the authority to decide such final allocation with respect to such rounding-off or any excess of Equity Shares or any shortage of Equity Shares after allocation of Equity Shares as set out in the process described in Clause 19 of this Letter of Offer.

## 19.8. Basis of Acceptance of Shares validly tendered in the General Category:

Subject to the provisions contained in this Letter of Offer, the Company will accept the Equity Shares tendered in the Buyback by all other Eligible Sellers in the General Category in the following order of priority:

- a) Acceptance of 100% Equity Shares from other Eligible Sellers in the General Category who have validly tendered their Equity Shares, to the extent of their Buyback Entitlement, or the number of Equity Shares tendered by them, whichever is less.
- b) Post the Acceptance as described in Clause 19.8(a), in case there are any Equity Shares left to be bought back in the General Category, the Additional Equity Shares tendered by the other Eligible Sellers over and above their Buyback Entitlement shall be Accepted in proportion of the Additional Equity Shares tendered by them and the acceptances per shareholder shall be made in accordance with the Regulations, i.e. valid acceptances per shareholder shall be equal to the Additional Equity Shares validly tendered by the Eligible Sellers divided by the total Additional Equity Shares validly tendered in the General Category and multiplied by the total pending number of Equity Shares to be Accepted in General Category.
- c) Adjustment for fractional results in case of proportionate acceptance as described in Clause 19.8 (a) and (b) above:
  - 1. For any Eligible Seller, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
  - 2. For any Eligible Seller if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.

In case of any practical issues, resulting out of rounding-off of Shares or otherwise, the Buyback Committee or any person(s) authorized by the Buyback Committee will have the authority to decide such final allocation with respect to such rounding-off or any excess of Equity Shares or any shortage of Equity Shares after allocation of Equity Shares as set out in the process described in Clause 19 of this Letter of Offer.

## 19.9. Basis of Acceptance of Equity Shares between two Categories

a) In case there are any Equity Shares left to be bought back in one category ("Partially filled Category") after Acceptance in accordance with the above described methodology for both the categories, and there are additional unaccepted validly tendered Equity Shares in the second category, then the Additional Equity Shares in the second category shall be accepted proportionately, i.e. valid Acceptances per Eligible Seller shall be equal to the additional outstanding Equity Shares validly tendered by an Eligible Seller in the second category divided by the total additional outstanding Equity Shares validly tendered in the second category and multiplied by the total pending number of Equity Shares to be bought back in the partially filled category.

- b) If the Partially filled Category is the General Category, and the second category is the Reserved Category for Small Shareholders, then for the purpose of this calculation, the Additional Equity Shares tendered by such Small Shareholders, from whom one Equity Share has been accepted in accordance with clause 19.7(b) shall be reduced by one.
- c) Adjustment for fraction results in case of proportionate Acceptance, as defined in clause 19.9(a) and (b) above:
  - 1. For any shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
  - 2. For any shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.

In case of any practical issues, resulting out of rounding-off of Shares or otherwise, the Buyback Committee or any person(s) authorized by the Buyback Committee will have the authority to decide such final allocation with respect to such rounding-off or any excess of Equity Shares or any shortage of Equity Shares after allocation of Equity Shares as set out in the process described in Clause 19 of this LOF.

## 19.10. For avoidance of doubt, it is clarified that:

- a) the Equity Shares accepted under the Buyback from each Eligible Seller, in accordance with clauses above, shall not exceed the number of Equity Shares tendered by the respective Eligible Seller;
- b) the Equity Shares accepted under the Buyback from each Eligible Seller, in accordance with clauses above, shall not exceed the number of Equity Shares held by respective Eligible Seller as on the Record Date; and
- c) the Equity Shares tendered by any Eligible Seller over and above the number of Equity Shares held by such Eligible Seller as on the Record Date shall not be considered for the purpose of Acceptance in accordance with the clauses above.

## 19.11. Clubbing of Entitlement

In accordance with Regulation 9(ix) of Buyback Regulations, in order to ensure that the same shareholders with multiple demat accounts/ folios do not receive a higher entitlement under the Small Shareholder category, the Company shall club together the Equity Shares held by such shareholders with a common PAN for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Company will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, pension funds/trusts and insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar and Transfer Agent as per the shareholder records received from the depositories.

## General

The Indian tax year runs from April 1 to March 31. The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. A person who is a tax resident of India is liable to taxation in India on his worldwide income, subject to certain prescribed tax exemptions provided under the Income Tax Act 1961 ("ITA").

A person who is treated as a non-resident for Indian tax purposes is generally liable to tax in India only on his/her Indian sourced income or income received by such person in India vide Finance Act, 2021, certain non-resident individuals are deemed to be resident in India upon triggering of certain conditions. Deemed residents would be liable to pay tax in India only on their Indian sourced income. In case of shares of a Company, the source of income from shares would depend on the 'situs' of the shares. As per judicial precedents, generally the "situs" of the shares is where company is "incorporated" and where its shares can be transferred. Accordingly, since the Company is incorporated in India, the shares of the Company would be "situated" in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the ITA subject to any specific exemption in this regard. Further, the non-resident can avail the beneficial tax treatment prescribed under the relevant Double Tax Avoidance Agreement ("DTAA") as modified by the Multilateral Instrument ("MLI"), if the same is applicable to the relevant DTAA between India and the respective country of which the said non-resident shareholder is tax resident subject to satisfaction of the relevant conditions including non-applicability of General Anti-Avoidance Rule ("GAAR") and providing and maintaining necessary information and documents as prescribed under the ITA as well as satisfying the relevant conditions under the respective DTAA including anti-abuse measures under the MLI, if applicable.

The summary of tax implications on Buyback of equity shares listed on the stock exchanges in India is set out below. All references to equity shares in this note refer to equity shares listed on the stock exchanges in India unless stated otherwise. The residential status of an assessee would be determined in terms of Section 6 of the ITA.

## Income Tax Provisions in respect of Buyback of Equity Shares listed on Recognized Stock Exchange

a. Finance Act, 2019 has amended Section 115QA to include Companies Listed on recognized stock exchanges within the ambit of Section 115QA. As per Section 115QA, listed companies making a public announcement of Buyback of shares on or after 5th July 2019 are required to pay an additional Tax @ 20%, plus Surcharge @ 12%, plus Health & Education Cess @4% on the Distributed Income.

Distributed Income is defined under section 115QA to include Consideration paid by the company on Buyback of Shares as reduced by the amount which was received by the company on issue of such shares, determined in the manner specified in Rule 40BB.

- b. The tax on the distributed income by the company shall be treated as the final payment of tax in respect of the said income and no further credit therefor shall be claimed by the company or by any other person in respect of the amount of tax so paid.
- c. No deduction under any other provision of this Act shall be allowed to the company or a shareholder in respect of the income which has been charged to tax.
- d. As the said income has been charged to tax at company level, it shall be exempt in the hands of shareholders under section 10(34A) of the ITA. Accordingly, income arising in the hands of the shareholder (whether resident or non-resident) on Buyback of equity shares shall be exempt from tax in India irrespective of the characterization of the shares, i.e., whether long term or short term or held as investment or stock-in-trade under sub-clause (34A) of Section 10 of the ITA. In case of Non Resident Shareholders, the same may be subject to tax in the country of residence of the shareholder as per the provisions of the tax laws of that country. The credit of tax may or may not be allowed to such non-resident shareholder to be claimed in the country of residence in respect of the Buyback tax paid by the company in view of Sec 115QA (4) and (5) of the ITA. Non- resident shareholders need to consult their tax advisors with regard to availability of such a tax credit.

## Tax Deduction at Source ("TDS")

Since there is no provision regarding the TDS in case of Buyback, company is not required to deduct any tax at source on consideration payable to Resident Shareholders.

Further, given that the consequential income would be exempt from tax in the hands of shareholders u/s 10(34A) of the ITA, the same would not be subject to TDS for Non-Resident Shareholders.

## Securities Transaction Tax

Since the Buyback of shares shall take place through the settlement mechanism of the Stock Exchange, securities transaction tax at 0.1% of the value of the transaction will be applicable.
